

GATEWAYS TO WILDERNESS

NEWCOMB, INDIAN LAKE, LONG LAKE, AND NORTH HUDSON
CAN BENEFIT AS NEW GATEWAYS TO WILDERNESS RECREATION:

- The Upper Hudson River
- Boreas Ponds
- Essex Chain of Lakes

Acquisition of these lands for the Forest Preserve opens up new opportunities for tourism, hunting, fishing, guiding, boat building, research and education.

Ask Governor Cuomo to boost the wild economy.

Fund the Finch Conservation Project.
