

## HELP US PROTECT NEW YORK'S FOREST PRESERVE FOR THE YOUTH OF TODAY AND DISTANT TOMORROWS

Adirondack Wild is on the Wild's Side. We speak out for wild forest character and ecological integrity. We teach the values of human respect, humility, and restraint on the public's "forever wild" Forest Preserve. We advocate for the careful stewardship of our interconnected public wilderness and private wildlands, and the waterways which join them. We work to prevent fragmentation of these areas into small pieces, and we hold our agencies to account if they betray their wildland responsibilities.

Our founder Paul Schaefer (1908-1996) earned a national reputation for embracing Article 14 of the New York State Constitution, "forever wild," as the strongest forest protection found anywhere on the planet. He fought for wild woods, waters, and wildlife as a gift to pass on to future generations. His commitment remains ours today as we strive to carry on his legacy.

Won't you please help us?
